Ladies' Luggage.

- How happy is the single life
 Of all those priests and monks!
 Not one of whom has got a wife
 To bother him with trunks
 And handboxes, a load too great
 For man or horse to bear,
 Which railways charge for, over-weight,
 And cabrask double fare.
- Fell care, as with your bride you post.
- Distracts your auxious mind,
 Lest this portmanteau should be lost,
 Or that be left behind:
 Her baggage as you travel down
 Life's hill, wedgis more and more,
 And still, as balder grows your crowns,
 Becomes a greater bore.
- Outstretched by Fashion vile and vain,
 Hoop-pettleoats and vests,
 Now Beltish females; to contain,
 Require no end of classis,
 To which lazes, baskets, bundles, add,
 Too numerous to name,
- nough to drive a poor man mad, A Job with rage inflame.
- The cab keeps swaying o'rg your head,
 With luggage piled above.
 Of overturn you ride in dread,
 With her whom you should love;
 Then you, the station when you gain,
 Must see that lumber stowed,
 And feders about it in the train,
 Your heart and soul currode.
- Thus does your wife each Journey spoil
 Of yours that she partakes.
 Thus keeps you on the fret and broil,
 Your peace and comfort broaks.
 With all these boxes, all her things,
 (How many!) to enclose,
 The fair Encumbrance on you brings
 A wagon-load of wees.

Woon.—Dear Sir.—Some month or six weeks ago I received a bottle of your Hair Restorative and gave it my wife, who concluded to try it on hier hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks trial it has performed that wonderful effect by turning all the gray huirs to a dark brown, at the same time beautifying and thickening the hair. Istrongly recommend the above Restorative to all persons in wart of such a change of their hair.

HOSTETTER'S Stomach Bitters!

T IS A FACT THAT, AT SOME PERIOD, EVERY member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazzard of vital Strongth and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who becaused in the life. ate powerfully upon the stomach, howels and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsis, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Billious Complaints, arising from a morbid function of the Stomach or Bowels producing Cramps, Dysentery, Colle, Cholera Morbus, &c., these Bitters have no equal.

A clergyman of the Baptist Church, well known in Illinois, writing to us says: "I have been for some time seriously afflicted with bleeding piles; and have regarded my case as a severe one—at one time, indeed, hopeless, but I have used your medicine (Pile Specific) and am cured. I have need your medicine (Pile Specific) and am cured. I have need your medicine (Pile Specific) and can cured. I have need your medicine (Pile Specific) and am cured. A gentleman of 50 years, well and favorably known at Celhi, Delaware county, New York, had been a martyr to the piles for 20 years. Sometimes from excessive hemoorphage, pain and suffering, he was reduced to the verge of the grave. For years he had draged out a miserable existence, a confirmed invalid, disqualified for any busines, and life almost a burden. It is meedless to abd that he had tried all sorts of remedie, from all sorts of dectors, to little purpose. He consulted mo two years ago, and I recommended our Pile Specific, with occasionally, a Byspepsia Fill. From this he began to improve, and since has never had a serious turn of piles. From the first month up to a year past he had occasionally symptoms of his old complaint, but a few doses of the Pile Pillis would disperse it all, and for more than a year past he has been entirely well of the piles. A more brilliant cure is carcely to be found in the annals of medicine.

No family should be without these invaluable curatives. They are the only remedies perfectly adapted for domestic and private use. With them the parent is armed and prepared against the approach of disease, and can meet it at the threshold and keep it at bay. A trille of medicine rightly directed in the first hours of disease, perfectly cures that which by delay can only be relieved by long and tedious hours of suffering if at all. With these at hand, you are not obliged to await the coming of that often distant, as well as expensive luxury, a doctor, nor to be dragged or possed, or blistered or bled, but may yourself administer the simple specific, and restore the raddy current of life again to health and joy. There cannot only no intervarise in any case from their use, but the general influence upon the constitution, beyond all question is most beneficial.

We desire an active, efficient agent, for the sale of our remedies, in every town or community in the Use ted States. Address, Dr. F. HUMPHREYS & CO.

DYSPEPSIA.

A young lady of 26 had been troubled with indiges tion for several months, so as to render great care necessary in the selection of her food. After eating, the stomach became acid, food rising in her month with water, and an unpleasant, heavy, load-like sensationin her stomach, continuing for some hours, frequent heavenches, bowels constipated and a depressed mental toudition. She commenced taking the Dyspepsia Pilis, one morning and night, and in less than a week almost every symptom of her disease had vanished, and she felt like a new being.

A gentleman, public lecturer, took a severe cold the latter part of last mouth, while travelling and lecturing in northern Pennsylvania, though addressing public audiences every evening; yet in two days, by the aid of the Specific, he was entirely recovered, and entabled to pursue his calling without inconvenience. No public speaker should be without them. A married lady of 40 had taken a violent cold, which

A married lady of 40 had taken a violent cold, which settled on her lungs, causing severe cough, pain in the side and considerable fever and hoarseness. Such colds were usually very lasting and troublesome; but by taking the specific Cough Pills four times per day, in three days she was entirely well.

A young man of 22 had a cough and hoarseness for fifteen months. During cold weather his voice was lost so as only to speak in whispers, pain induced on coughing, cold dry or raising only a trifle in the morning quite feeble and emaciated. Had taken several medicines with little or no benefit. He commenced with the Cough Pills—one pill three times per day—and soon found himself, improving, his cough milder and softer, hoarseness passed off, strength and appetite improved, and in a few weeks was entirely well, having taken no other medicine.
